

15th IAIS Annual Conference

2008 Budapest, Hungary

Barnabás Trunkó
Secretary General of the
Association of Hungarian Insurance Companies

The Association of Hungarian Insurance Companies and the insurance companies acting on the Hungarian market welcome the participants of the IAIS 2008 Budapest conference.

The Hungarian insurance industry highly appreciates the activity of the world-organization.

By accurately defining the global insurance supervisory principles, the IAIS has considerably contributed to the fact that nowadays Hungary is one of the most dynamically developing insurance markets in Europe.
